

Project/Assignment Decisions

Use this section to document key decisions that shape the direction, scope, or outcome of the assignment. The purpose is to make your judgement and reasoning visible, not to record every action taken.

What you include here should reflect decisions that mattered: moments where you chose one path over another, changed direction, or adapted to constraints.

The expected length and detail depend on the assignment.

Side Quests and A4 (Individual Work)

Here I learned how to use visual studio code and GitHub and one key change that I made was changing the background in the code. It was cool learning this although it was confusing.
